'Freudian Sips' is the lecture and discussion series of UC Davis Multidisciplinary Psychoanalytic Research Cluster, a DHI (Davis Humanities Institute) research cluster. Please e-mail larecker@ucdavis.edu to join the cluster's works-in-progress meeting, where both graduate students and faculty will meet about their work in anticipation of presenting to the cluster in 2015-2016. Want to attend UC-wide psychoanalytic research retreat in southern California? Email Matt (nesvet@ucdavis.edu) for information on attending with funding. Spots available for faculty and grad's.
